

Science Fair Project Extension Form 2025

Name _____ Date _____

Because of the extended time between the San Luis Valley Regional Science Fair (SLVRSF) and both the Colorado Science & Engineering Fair (CSEF) and International Science and Engineering Fair (ISEF), I propose to continue collecting data on my research project in preparation for one or both of these Fairs.

I will not be making ANY changes to procedures or project design. I will continue to collect data under my existing, approved protocol and simply increase my sample size.

Please fill in a proposed end date in the appropriate blank space, and circle the appropriate Fair for which you are preparing. After obtaining all necessary signatures, please include this form as part of your protocol paperwork for CSEF and/or ISEF.

I intend to continue my data collection until

_____, 2025 (CSEF) or _____, 2025 (ISEF)
